SEND Assessment

A Strengths-Based Framework for Learners with SEND

Judith Carter, Willow Tree Learning Ltd

Series: The Essential SENCO Toolkit

This invaluable resource offers practical ideas and materials to allow SENCOs and SEN practitioners to capture learning, demonstrate the impact of SEN support, and analyse whether provision is effectively tackling barriers to learning. Chapters introduce a shared *language of learning* and move through seven key components: cognition, communication, creativity, control, compassion, co-ordination and the curriculum. *SEND Assessment* empowers professionals to confidently demonstrate progress for barriers to learning that are otherwise difficult to measure. It will become a vital tool for those interested in providing effective SEN provision.
