

Level 4 Award in Supporting Children and Young People with Social, Emotional and Mental Health Needs

This exciting initiative will enable participants to develop their knowledge and confidence in supporting children and young people with social, emotional and mental health needs and provide them with the opportunity to develop a range of practical skills.

This qualification is suitable for teaching and support staff working in all phases of education; early years, primary, secondary and post-16.

On successful completion participants will gain a Level 4 award in supporting children and young people with social, emotional and mental health needs and 6 level 4 credits from Gateway Qualifications. Participants will take away an exciting portfolio of work.

The course is being offered via two pathways:
